Things to remember:

- Down payment must be in our office within 15 days of policy effective date in order to start a finance contract
- Policy term must be at least 6 months
- Endorsements are not automatically added to a finance contract
- No policies that are 100% earned may be financed
- Any return premium will be used to pay off the balance of the loan to WFC prior to any money being returned to an insured
- Policies written through Cameron M. Wilson & Associates and financed through Wolverine Financial Corp. will be invoiced to the agency in order to show on the agency statement
- Reinstatement notices on the WFC contract does not guarantee that the policy has been reinstated. Be sure to check with the underwriter to be sure the policy is in force.
